

Boston-Feb 19, 2014

SSESA to conduct interview for postdoctoral fellowships, 2014 visiting fellow and mentorship awards

Dr. Tariq Haqqi, Professor of Anatomy and Neurobiology at Northeast Ohio Medical University, Ohio, USA will be in Aligarh on Feb 22nd to conduct interviews on behalf of SSESA. Interviews will be held at AMU on Saturday (Feb 22nd). A panel, including Prof. Tariq Haqqi (Chair), Prof. Najmul Islam, Prof. Rahimullah Khan, Prof. Mohd. Israrul Haque and Prof. Mohammad Shakir will interview shorted candidates for final selection for three categories. Shortlisted candidates have been informed directly of their interview location and time slot.

Sir Syed Excellence in Science Award (SSESA) is sponsored by the Boston-based AMU Alumni Association (Aligarh Alumni Association of New England-AAANE).

The members of AAANE founded and have continued to offer Sir Syed Excellence in Science Award (SSESA) since 2006 to recognize and sponsor academically-outstanding students from AMU. This award would not have been possible without the help and support of AMU alumni from all over the world including those based in Aligarh.
